Testimonial

This letter is to compliment the remarkable efforts and developments completed by VCS Systems. They are consistently completing projects in a timely manner and making sure they are up to our standards before expecting to be compensated. Their attention to detail and sensitivity on a time schedule allow them to complete numerous, difficult tasks. There has not been a project that they have not been able to finish with flying colors and we will continue to utilize their services in the future.

Jennifer Kenna, HME Providers

>> www.sonicimaging.org

Sonic Imaging provides full body ultrasound services for Cardiovascular and General Ultrasound cases. VCS has engineered an Imaging application streamlining the flow of information for MD's office to evaluate patient data in a secure , easy and efficient method.

Testimonial

VCS did a sensational job. I required a special medical imaging website that has not been done in my area. It was custom all the way.Numerous problems and glitches were overcome with creativity on the VCS team at a very fair price for a small business. I whole heartily recommend VCS for any small business.

Stephen P. Dubin, President, Sonic Imaging, Las Vegas, NV
